

CONFEDERATE REUNION
To Be Held in Tulsa, Oklahoma, Sept. 24-27.

Tulsa, Okla., August 16.—The Tulsa Confederate reunion committee, composed of many of the leading citizens of Tulsa, have been engaged for some weeks raising a fund of \$100,000, and perfecting an organization for the entertainment of the 28th annual reunion of the United Confederate Veterans' Association, the Confederated Southern Memorial Association and the 2nd reunion of the Sons of Confederate Veterans, Sept. 24-27 inclusive.

The committee is assured of the necessary financial support, so that no fears need be entertained on that score. It is confidently believed that 100,000 delegates and visitors will attend this reunion, and that it will be one of the best reunions ever held.

Arrangements have been made to care, free of charge, for from 5,000 to 10,000 veterans. They will be provided sleeping quarters in the new, airy, spacious public school buildings of Tulsa. These buildings are of brick, one story in height and have ample toilet facilities. Free street car tickets will be supplied to all Confederate Veterans. Ample bedding has already arrived in Tulsa. It is all new, having been purchased at the factory for this occasion. These guests will be served three meals a day at a large mess hall, and E. A. Pickens, who has catered successfully to so many reunions in the past, is in Tulsa waiting for his old friends to come. He will cater to all their needs.

Ample provision will be made for the annual reunion balls. Special effort will be put forth by the society element in Tulsa to make the many social features of the reunion doubly attractive.

President Wilson has approved of the holding of this reunion as an example of patriotism while the nation is at war. Director-General McAdoo, under order No. 28, has instructed all railroads in the United States to make a special rate of one cent per mile each way to the Confederate reunion.

Quit Laxatives, Purges; Try NR
NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, cathartics and force bowel action. It weakens the bowels and liver and makes constipation worse.
Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a box of Nature's Remedy (NR Tablets) and take one each night for a week or so.
NR Tablets do much more than merely cause pleasant easy bowel action. This medicine acts upon the digestive as well as eliminative organs—promotes good digestion, causes the body to get the nourishment from all the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates kidney and bowel action and gives the whole body a thorough cleaning out. This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can always feel your best.
Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

DAILY SUGAR RATION
1½ OUNCES

Subtract One Pound From Three and Divide by Thirty.

Subtract one pound of sugar from three and divide by thirty and you have your new daily sugar ration—1½ ounces or 6½ level teaspoons.

"Don't throw away fractions, please," says the Missouri Division of the Food Administration. "Reduce to whole numbers at the end of the month and you will have twelve teaspoons of sugar."

Do a little figuring on this new sugar ration of two pounds for ninety meals and, when you have put your head to it, you will find the answer to the problem. There is a cafeteria in the U. S. Food Administration Building in Washington that managed to make 50 pounds of sugar do for 6,000 meals.

This ration covers the use of sugar for all purposes, including tea, coffee, desserts and in cooking. Most of the desserts contain such substitutes as honey, maple or other syrups; the use of white sugar is confined almost exclusively to tea and coffee.

The Missouri Ledger (Mexico, Mo.) seems to have swallowed the Kansas City Star's election flim-flam without a thought of its source. We were of the opinion that all Missouri papers were "hep" to the Star's bi-annual wail over lost candidates.
